**PDP LONDON**

Architectural practice PDP London will be holding a curated exhibition on 18 September in order to showcase its diverse portfolio of work, ranging from projects in and around the local area to high-profile international developments. The event is free and open to all and refreshments will be available in the form of drinks and nibbles.

*7pm-9pm, 18 September, The Old School House, 178 Ebury Street, SW1W 8UP, 020 7730 1178, pdplondon.com*

**PROMEMORIA**

Luxury furnishings company Promemoria will celebrate the 10th anniversary of its London showroom with a special exhibition of lighting design. Ten Promemoria lamps will be on display (one for each year that the showroom has been open) ranging from the company's first designs to the Icosaedro, a new high-tech LED lighting system, and the Higgs lamp, designed by Piero Castiglioni.

*99-101 Pimlico Road, SW1W 8PH, 020 7730 2514, promemoria.com*

**PINCH AND 1882 LTD**

During LDF 2017, the design studio Pinch and ceramics brand 1882 Ltd will be teaming up to launch the collaborative Flare collection at Pinch's recently opened new shop on Pimlico Road. Flare is a bone-china collection featuring six new shapes, including a jug, pitcher, mug and a series of three bowls. Key design aspects include curvaceous forms paired with exaggerated ratios delivered via handles and spouts, with a focus on sculptural modernity that also references classic form.
