In 2009, Cynthia Corbett, a life-long member of The Arts Club, launched the Young Masters Art Prize: a not-for-profit initiative that gives a platform to emerging and established artists who celebrate the art of the past.

For London Craft Week, The Arts Club hosts Young Masters ceramicists Jo Taylor, Lucille Lewin and Tessa Eastman. These three contemporary makers will discuss and demonstrate their making process.

The discussion will be recorded as a podcast by After Nyne Magazine, the official media partner of Young Masters.
